AGREEMENT effective the sixteenth day of March, 2005, by and between THE ADMINISTRATION OF PRATT INSTITUTE (hereinafter referred to as the "Administration" or the "Institute") and the UNITED FEDERATION OF COLLEGE TEACHERS, LOCAL 1460, AMERICAN FEDERATION OF TEACHERS, AFL-CIO (hereinafter referred to as the "Union").

W I T N E S S E T H

WHEREAS, Pratt Institute has been recognized as an Employer consistent with the terms and provisions of the National Labor Relations Act, and

WHEREAS, a secret ballot was conducted by the National Labor Relations Board, and

WHEREAS, the members of the faculty in the bargaining unit consented to by the parties have selected the Union as their representative for the purpose of collective bargaining, and

WHEREAS, the parties desire to work with each other in mutual respect, harmony and cooperation,

NOW, THEREFORE, the parties hereby agree as follows:

ARTICLE I RECOGNITION

The Administration hereby recognizes the Union or its successor as the exclusive bargaining representative for all full-time and regular part-time members of the faculty presently or hereafter employed by the Institute in the bargaining unit certified as appropriate for election by the National Labor Relations Board, to wit:

"INCLUDED: All full-time and regular part-time members of the teaching staff including full and part-time professional librarians employed at the Institute's two locations at 200 Willoughby Avenue, Brooklyn, N.Y., and 142 West 14th Street, New York, N.Y."

"EXCLUDED: All other employees, Deans, Assistant Deans, Associate Deans, Assistant to the Deans, Department Chairpersons, Directors, Associate Directors, Area Heads, Heads, The Librarian, The Assistant Librarian, Coordinators in the Art and Design & Package Design Department, Administrative Personnel, guidance counselors, laboratory assistants, graduate assistants, technicians, office clerical employees, guards and supervisors as defined in the Act."

"NOTE: Regular part-time members of the teaching staff are those individuals who are employed part-time on a regular basis during the course of a semester as opposed to a

substitute who comes in during a semester to substitute for someone on maternity leave, sick leave or disabled.”

ARTICLE II
ADMINISTRATION - UNION RELATIONSHIPS

2.1 This Agreement shall not be construed to repeal, rescind, modify or diminish any of the provisions of the Statutes, Charter, By-laws, Rules or Regulations of the Institute as amended to date or any future amendments thereto which are not in conflict with this Agreement.

2.2 The rights, privileges and obligations of members of the Unit as set forth in this Agreement supersede and replace any individual contract of employment between such member and the Institute.

2.3 The parties agree that all rights, powers and authority of the Administration which have not been limited or modified by this Agreement are retained by the Administration without limitation and are in no way subject to the grievance or arbitration procedures set forth in this Agreement.

2.4 The Institute President (or designee) will meet with representatives of the Union monthly to discuss subjects that may arise during the term of this Agreement and to discuss matters necessary to its implementation. This shall not prevent the Union from consulting with the Institute President (or designee) at other times.

ARTICLE III
ACADEMIC FREEDOM AND RESPONSIBILITY

3.1 Academic and professional freedom is essential to the functioning of the Institute as well as being a fundamental working condition. The Institute serves its community as an open intellectual forum where varying shades of opinion may be freely expressed and fairly debated. Evaluation of faculty and the reward of merit must be based solely on teaching effectiveness and professional competence.

3.2 Faculty members are entitled to full freedom in research and other creative activities and in the publication of the results. Research or consultation is not to interfere with the satisfactory performance of responsibilities to the Institute.

3.3 Faculty members are entitled to freedom in the classroom in discussing the curriculum subject.

3.4 The faculty member is a citizen, a member of a learned profession and an employee of the Institute. When he or she speaks or writes as a citizen, he or she should be free from institutional censorship or discipline.

3.5 To encourage creativity and constructive dissent, a faculty member is entitled to full freedom of discussion in all established Institute bodies without reprisal.

3.6 Academic freedom is inseparable from professional responsibility and ethics. Academic responsibility of the faculty shall include teaching effectiveness and professional competence.

ARTICLE IV CHECK-OFF

4.1 Upon receipt of a written authorization from an employee member of the bargaining unit, the Institute shall, pursuant to such authorization, deduct from the wages due said employee each month and remit to the Union regular dues as fixed by the Union.

4.2 The Institute shall be relieved from making check-off deductions upon (a) termination of employment; (b) transfer to a job other than one covered by the bargaining unit; (c) layoff from work; (d) an agreed leave of absence without pay; (e) revocation of check-off authorization in accordance with its terms or applicable law.

Notwithstanding the foregoing, upon the return of an employee to work within the bargaining unit from any of the foregoing enumerated absences, the Institute will resume the obligation of making said deductions except for terminated employees.

4.3 It is specifically agreed that the Institute assumes no obligation arising out of the provisions of this Article and the Union agrees it will indemnify and hold the Institute harmless from any claims, actions or proceedings by any employee arising from deductions made by the Institute hereunder. Once funds are remitted to the Union, their disposition thereafter shall be the sole and exclusive obligation and responsibility of the Union.

ARTICLE V NON-DISCRIMINATION

Neither the Institute nor the Union shall discriminate against, or in favor of, any employee on account of race, color, religion, creed, national origin, citizenship status, political belief, gender, sexual orientation, marital status, age, disability, or membership in or non-membership in the Union, or activity on behalf of the Union.

ARTICLE VI INFORMATION AND DATA

The Administration shall make available to the Union upon its reasonable request and within a reasonable time thereafter, such information which is reasonably available and is related

to this Collective Bargaining Agreement which is within the possession of the Administration, as may be necessary for negotiation and implementation of this Agreement.

ARTICLE VII GRIEVANCE AND ARBITRATION

7.1 The Administration and the Union agree that they will use their best efforts to encourage the informal and prompt settlement of grievances which may arise under the terms and conditions of this Agreement. In the informal settlement procedure, the employee and/or the Union shall present and discuss his or her grievance with his or her immediate supervisor. The process hereinafter set forth shall be used for the resolution of all grievances not settled informally.

7.2 A grievance is defined as a dispute arising between the parties concerning the interpretation, application, performance or termination of this Agreement or an alleged breach or violation thereof, or affecting the terms and conditions of employment of the members of the bargaining unit thereunder.

7.3 A grievant shall mean: (a) an individual employee, or (b) a group of employees having the same grievance, or (c) the Union.

7.4 Every employee or group of employees shall have the right to present grievances to the Administration free from interference, coercion, restraint, discrimination or reprisal on the part of the Administration or the Union, and shall have the right to be represented in all stages of the grievance procedure provided. An individual grievant may choose an individual or the Union to represent him or her. This shall not prevent any employee or group of employees, provided they are not represented by any organization, from presenting a complaint without Union representation.

7.5 Grievances and any decision rendered in connection therewith shall be in writing at each formal step of the grievance procedure. It shall be a fundamental responsibility of administrators having supervisory functions to carry out the purpose of these provisions commensurate with the authority delegated to them.

7.6 In the event an administrator fails to communicate his or her decision to a grievant and/or the Union within the time limit provided in Article 7.8, said failure shall be deemed a denial of the claim and the grievant or Union may proceed to the next step of the grievance process. In the event the grievance is deemed to be denied pursuant to the preceding sentence, the grievant and/or the Union shall have fifteen (15) non-holiday work days from the date on which the administrator's response was due to make the written submission or demand required to bring the matter to the next step of the grievance/arbitration process. Notwithstanding the foregoing, (a) if a grievance is filed by an employee or employees and the Union is unaware of it, (b) if an administrator fails to communicate his or her decision within the time limit provided in Article 7.8, and (c) if the employee or employees do not appeal the decision within the time limit provided in Article 7.8, the Union shall have the right to appeal the decision provided it does so within five non-holiday work days of the date on which it either

became aware or should have become aware of the decision. The failure of a faculty member and/or the Union to appeal a decision to the next step within the time limit provided shall constitute a withdrawal of and shall bar further action on the grievance.

7.7 Hearings and conferences held under this procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity for all interested parties to attend and have a fair and full opportunity to present any and all relevant information, evidence and testimony.

7.8 Formal Steps in the Grievance Procedure

Step 1. A grievance must be submitted in writing no later than twenty non-holiday work days after the grievant has notice of the event constituting the alleged grievance. It shall set forth the basis of the complaint or dispute and the remedy requested, and shall be filed with the employee's immediate supervisor, be he or she a Chairperson, Coordinator, Area Head, etc. with copies to the appropriate Dean and the Union. The supervisor shall, within five non-holiday work days after receipt of the grievance, meet with the grievant and a representative of the Union for the purpose of discussing the grievance, and shall, within five non-holiday work days after the grievance meeting, issue his or her decision with his or her reasons therefore in writing to the grievant and to the Union.

Step 2. If the grievance has not been settled in Step 1, then within ten non-holiday work days after receipt of the written decision of the supervisor, or the expiration of the time limit for making such decision, the grievant or the Union may submit the grievance in writing to the appropriate Dean with a statement of why the decision of the supervisor is not satisfactory. The appropriate Dean shall meet with the grievant and a representative of the Union within five non-holiday work days after receipt of the notice of appeal for the purpose of resolving the grievance.

Step 3. If the grievance is not resolved at that meeting, or within ten non-holiday work days thereafter, the grievant or the Union may submit the grievance in writing to the President. Either the President or the Provost or their designee shall meet with the grievant and a representative of the Union within five non-holiday work days thereafter for the purpose of discussing the grievance, and the President, Provost or their designee shall within five non-holiday work days after the grievance meeting issue his or her decision with the reasons therefore in writing to the grievant and the Union.

Step 4. Arbitration. If the grievance has not been settled at Step 3, then within ten non-holiday work days after receipt of the written decision of the President, the grievant or the Union may request arbitration by giving notice to that effect, by certified mail, return receipt requested, directed to the President (or designee) and to the American Arbitration Association. An arbitrator shall be selected in accordance with the Voluntary Labor Arbitration Rules of the American Arbitration Association. The Voluntary Labor Arbitration Rules shall apply to arbitration procedures. The arbitrator shall have the power and obligation to subpoena all records upon written demand of the grievant.

7.9 Anything herein above to the contrary notwithstanding, if any grievance affects more than one employee or is to be initiated during the last four weeks of a semester or trimester prior to an employee's vacation, the Union may initiate such grievance at Step 2 or Step 3 of the grievance procedure, thereby expediting the process.

The fees and expenses of the American Arbitration Association and the arbitrator shall be borne equally by the parties.

The award of an arbitrator hereunder shall be final, conclusive and binding upon the Institute, the Union and the employee.

The arbitrator shall have jurisdiction only over disputes arising out of grievances as defined in this Article and in no event shall have the authority to add to, subtract from, modify or amend the provisions of this Agreement. A final decision or award of the arbitrator shall be made within thirty non-holiday work days after the closing of the hearing. Such decision shall be binding upon the Union, the Administration and the faculty members affected thereby. The Administration and the Union agree that all arbitration awards shall be complied with fully and immediately.

ARTICLE VIII INTERDEPENDENCE AND COMMUNICATION

The Institute recognizes that the variety and complexity of the tasks performed by it are best accomplished by continuing communication and consultation with a full opportunity for exploration of all points of view among members of the Pratt Community, to the extent appropriate and practicable. In order to achieve this, each department in each School and the Library shall hold regular faculty meetings in each semester.

ARTICLE IX PAST PRACTICE

The terms and conditions of employment set forth in this Agreement shall govern the relationships between the Employer and the Employees covered by it and no deviation from or modification of said terms and conditions of employment shall be permissible. However, if prior to this Collective Bargaining Agreement there was a past practice generally in effect throughout the Institute which was still in effect at the date of this Agreement and not specifically modified by this Agreement, and which provided more favorable terms of employment for Employees, including members of the bargaining unit, then such more favorable terms and conditions shall continue; provided, further, that any question as to whether a specific term or practice was in general effect shall be subject to the grievance and arbitration provisions hereof.

ARTICLE X
SEPARABILITY

In the event any provision of the Agreement, in whole or in part, is declared to be illegal, void or invalid by any court of competent jurisdiction, all of the other terms, conditions and provisions of this Agreement shall remain in full force and effect to the same extent as if that provision had never been incorporated in this Agreement, and in such event the remainder of this Agreement shall continue to be binding upon the parties hereto.

ARTICLE XI
SUCCESSOR

In the event the Institute is transferred, sold, assigned, etc., the terms and conditions of this Agreement shall remain in effect during the life of this Agreement.

ARTICLE XII
UNION ADMINISTRATION TIME

12.1 The Chairperson of the Union Chapter at the Institute shall have a reduction of one-quarter of a full-time teaching load for his or her Department and shall be relieved from his or her non-teaching duties without loss of compensation or status.

12.2 During the last semester in which this Agreement is in effect, the Institute shall release up to six members of the Union Chapter's Negotiating Committee from their non-teaching responsibilities without loss of compensation or status.

12.3 The members who constitute the Union Chapter Negotiating Committee, as well as the Union Chapter Chairperson, shall be made known to the Administration no later than six weeks prior to the beginning of the semester for which the reduction is requested.

12.4 During the term of this Agreement, the Union shall designate three of its bargaining unit members, who may be part-time or full-time faculty, to handle grievances, each of whom shall have a reduction of one-quarter of a full-time teaching load. Such reduction in teaching load shall be without loss of compensation or status.

ARTICLE XIII
UNION ACTIVITY, VISITATION AND BULLETIN BOARDS

13.1 No employee shall engage in any Union activity, including the distribution of literature, which could interfere with the performance of work during his or her working time or in working areas of the Institute at any time except as may be provided for herein.

13.2 A representative of the Union shall have reasonable access to the Institute for the purpose of conferring with Administration, Union delegates or Union employees and for the purpose of administering this Agreement. Such conferences shall not interfere with the operation of the Institute.

13.3 The Administration shall provide space on existent bulletin boards which shall be used for the purpose of posting proper Union notices.

13.4 The Administration shall make available to the Union an office, furnished with the usual office equipment, including a desk, chairs, filing cabinet, typewriter and telephone (for campus and local use within the area code).

13.5 The Union Chapter at the Institute shall be permitted reasonable use of appropriate Institute facilities for its meetings upon proper notice to and approval of availability of space, provided, however, that the use shall not interfere with the Institute business or instruction.

13.6 The Union shall be permitted the reasonable use for Union Chapter purposes of copying, duplication and reproduction services on the same basis that these services are available to other groups and organizations.

ARTICLE XIV INSTITUTE FACILITIES

14.1 A joint Union-Administration Committee shall be established to analyze and make recommendations to the Dean of each School or other designee of the Board of Trustees concerning office space and facility utilization.

The Administration shall make every effort to make necessary repairs upon receipt of complaints concerning the maintenance and repair of the immediate teaching environment and its equipment; but in any event such repairs shall be completed within two weeks, except in instances of documented, unusual circumstances. A copy of the Physical Plant Maintenance Work Order will be sent to the complainant.

14.2 The Administration shall provide adequate secretarial and clerical assistance to all departments and areas, including the Library, for Institute purposes.

14.3 The Administration shall provide a suitable faculty lounge and kitchen for the exclusive use of the faculty and their guests. It shall be lockable with a key to be made available to all faculty members.

14.4 The Administration shall continue to provide parking privileges, unless rendered impossible by construction requirements, at an annual parking fee of \$125. The annual fee covers parking for three semesters: Fall, Spring and Summer. The unused semester portions of the parking fee shall be refunded.

14.5 The Administration shall continue to provide a dining room for the faculty and staff of the Institute separate from other dining areas.

14.6 Reasonable effort will be made to provide adequate office space for faculty members.

ARTICLE XV
ACADEMIC RANK

15.1 The academic rank for full-time faculty members shall be Professor, Associate Professor, Assistant Professor and Instructor.

15.2 The academic rank for part-time faculty members shall be Adjunct Professor, Adjunct Associate Professor, Adjunct Assistant Professor and Adjunct Instructor, and where appropriate Visiting Professor, Visiting Associate Professor, Visiting Assistant Professor and Visiting Instructor. The title of Lecturer shall continue to be used in the Department of Graduate Library and Information Science to cover all part-time faculty together with an indication of the highest rank of such faculty member. A letter that identifies each part-time faculty member and their actual rank from the above-designated ranks with their salary schedule shall be sent to said part-time faculty member and a copy shall be placed on file with the Union at the start of each semester.

15.3 The Library is an academic facility of the Institute. Professional librarians shall have academic rank and shall enjoy all the rights and privileges granted faculty members in the other units of the Institute.

ARTICLE XVI
APPOINTMENTS, REAPPOINTMENTS, PROMOTIONS AND TENURE

16.1 The Union recognizes and accepts the authority of the Board of Trustees acting in all matters concerning appointment, reappointment, promotion and tenure.

16.2 At the same time, in an academic community, these matters of appointment, reappointment, promotion and tenure, must have input at the point of closest contact with the faculty members individually affected. Accordingly, the Chairperson of each Department shall receive written recommendations in all of these matters from the Departmental faculty and any other members of the Institute community who may be affected by these matters. The Departmental Committees on appointment, reappointment, promotion and tenure shall develop standards of eligibility, fitness and evaluation; which shall include teaching effectiveness and professional competence and may include non-teaching responsibilities, Institute service and public service. The faculty in each Department and/or Area and in the Library shall set up such procedures as they deem appropriate to effectuate the foregoing.

16.3 Evaluation reports and recommendations concerning reappointment, promotion and/or tenure, as set forth in Article 16.2 above, shall be in writing and shall be forwarded to the Chairperson and/or Area Head. The Chairperson and/or Area Head shall add his or her comments and copies of these evaluation reports, recommendations and comments shall be given to the individual faculty member involved who shall have the opportunity to append or affix his or her comments. These recommendations will then be forwarded to the Dean of the School or of the Library, who shall add his or her comments, with copies to the individual faculty member involved who shall have the opportunity to append or affix his or her comments. These recommendations will then be forwarded to the Provost, or such other academic administrative officer as may be designated by the Board of Trustees, for review and recommendation with copies to the individual faculty member involved who shall have the opportunity to append or affix his or her comments. Final determination is by the expressed approval of the Board of Trustees. Review and determination shall also take into account enrollment trends, distribution and budgetary considerations. Differences between the recommendations made and final determination are to be clearly stated in writing setting forth the reasons for the determination.

16.4 Faculty members shall be advised in writing at the time of appointment of the standards for eligibility, fitness and evaluation and the procedures employed by the respective Department, School or Library. The faculty member shall be advised by the Department Chairperson of the time when recommendations affecting his or her reappointment, promotion, and/or tenure are to be made by the Department faculty, Head and Dean, and he or she shall be given a reasonable opportunity to submit such material as he or she believes will be helpful to an adequate consideration of his or her circumstances.

16.5 All regular appointments shall be on an annual basis with annual compensation except that part-time faculty members who teach only one semester or trimester each academic year shall be appointed on a semester or trimester basis.

16.6 For non-tenured faculty members, no one shall be denied reappointment for professional incompetence unless he or she has been evaluated and two successive academic year evaluations are negative, except that for faculty members in initial appointments, one semester or trimester evaluation may be sufficient if such faculty member does not have the academic competence to teach the courses offered in the documented change in the School's curriculum, or if his or her evaluations are negative.

16.7 The decision not to reappoint on the basis of negative teaching evaluations must be communicated to the person affected in writing. Those holding full-time appointments must be notified not later than March 31st before the completion of the first full year of service, not later than December 1st of the second year of service. Non-tenured faculty members with two or more years of service shall be notified prior to the end of the spring semester or trimester that during the following academic year they shall be on terminal appointment. Such notice shall be given as early as possible.

16.8 The Institute will notify the non-tenured faculty member in writing of his or her reappointment prior to the end of the Spring semester or trimester for full-time appointments, by December 1st for non-tenured part-time reappointments (subject to sufficiency of enrollment) in

the succeeding Spring semester, and by April 15th for non-tenured part-time reappointments (subject to sufficiency of enrollment) in the succeeding Fall semester.

16.9 Notification of promotion in rank and/or granting of tenure shall be in writing prior to the end of the Spring semester or trimester. Notification of the denial of promotion or tenure shall be made in writing prior to the end of the Spring semester or trimester with the reasons clearly set forth.

16.10 Any determination which is arbitrary, capricious, or discriminatory shall be subject to the grievance procedure.

16.11 Recognizing the desirability of receiving input from the faculty with respect to the appointments of academic Chairpersons and Deans, the Provost will receive in writing timely and appropriate recommendations from faculty members. Departmental committees on appointment, reappointment, promotion and tenure shall have the option whether to review any case concerning the promotion or granting of tenure to the department's chair.

16.12 An individual who does not possess faculty tenure at Pratt but who serves as a department Chairperson for at least six (6) years and then steps down, may be appointed to a full-time faculty position provided said appointment will not cause an incumbent full-time faculty member to be denied reappointment or laid off. The appointment, without a search, shall not constitute a violation of Article 23.1(a)(2), 23.2(a)(2), or any other provision of this Agreement.

Once the appointment has been made, the terms of that individual's employment shall be governed by all the provisions of this Agreement that apply to full-time faculty including the procedures for reappointment and tenure contained in this Article. A non-tenured faculty member who is appointed to the faculty pursuant to this section will, in no event, be awarded tenure prior to his/her second semester following the appointment.

ARTICLE XVII CLASS SIZE

17.1 The Chairperson of each Department by February 15th of each year shall receive recommendations from the Department faculty and other members of the Institute community concerning all matters of class size and shall forward them with his or her comments to the Dean of the School for his or her review, recommendations and submission in turn to the academic administrative officer designated by the Board. These recommendations shall be advisory only and final determination shall rest with the aforementioned academic administrative officer.

17.2 Any change in existing class sizes shall be consistent with the objectives of preserving an atmosphere conducive to effective teaching and learning and achieving efficiency.

17.3 The faculty of the Department shall be given the reasons for any change.

ARTICLE XVIII
ADMINISTRATION RIGHTS AND OBLIGATIONS

18.1 All the rights, powers, discretion, authority and prerogatives possessed by the Institute prior to the execution of this Agreement, whether exercised or not, are retained by and are to remain exclusive with the Institute, except as expressly limited herein.

18.2 Nothing in this Article nor this contract is intended to preclude the continued participation of members of the Union or of the faculty in all phases of Institute operation, including governance, and the Administration reserves the right to consult with the Union, its members and members of the faculty in that connection.

ARTICLE XIX
PERSONNEL FILES

19.1 All data pertaining to the employment of the members of the faculty shall be placed in a central personnel file within the office of the administrative officer designated by the Administration. This data shall include the usual pre-employment materials such as college transcripts, letters of application, curriculum vitae, evaluation reports, and correspondence.

19.2 Each faculty member shall be informed when material is placed in his or her central file and shall have the right to append or affix his or her comments to the file.

19.3 Upon reasonable notice, no longer than forty-eight (48) hours, a faculty member (in the company of his or her Union representative if he or she so wishes) may inspect his or her central file and secure copies of any materials therein. The central file may also be open to duly authorized personnel who are charged with responsibility in the areas of evaluation, promotion, tenure and reappointment.

19.4 An informal faculty file may be kept by Deans and Chairpersons. This file may not be used for any faculty personnel actions. This file may contain the following materials: curriculum vitae; creative work such as research, art or literature, and other academically or professionally related activities consistent with the goals of the Institute; requests from outside sources for faculty to participate in related activities; copies of faculty proposals for new courses or other curricular changes; faculty requests for materials or equipment or change in teaching loads; faculty communications to Deans and Chairpersons; and faculty teaching programs.

19.5 Space will be provided on campus for the storage of materials reflecting professional development and achievements.

19.6 Only materials contained in the central personnel file or materials reflecting professional development and achievements may be used as the basis for any personnel actions.

Where a Department is as large in terms of faculty members as the equivalent number of faculty members under Deans or Heads of Divisions, the Chairperson of such a Department shall teach no more than one-half of the full-time workload for that Department.

Any deviation from these standards shall be made only by mutual consent of the Administration and the Union, which shall not be unreasonably withheld.

(g) A member of the faculty teaching in more than one School shall receive workload credit for the School in which the course is offered, e.g., if an Art and Design School faculty member teaches a 4-hour undergraduate studio in the School of Architecture, he or she shall be deemed to have fulfilled 25% of his or her full-time teaching load; the addition of 9 hours of undergraduate lecture in the School of Art and Design would then constitute a full-time teaching workload for such faculty member ($9/12 = 75\%$).

20.3 A full-time faculty member shall not be required to teach more than a full-time teaching load as provided in subparagraph 20.2, above. A reduced teaching load in the form of equivalent contact hours shall be made without loss of pay for unusually heavy non-teaching assignments, creative work such as research, art or literature, and other academically or professionally related activities consistent with the goals of the Institute. The amount of the

reduction shall be approved by the faculty member's Dean with the concurrence of the academic administrative officer as the Board shall designate, upon the recommendation of the Department Chairperson and the consent of the faculty member involved. In the event of any disagreement between or among these parties, the designated academic administrative officer shall make the decision.

20.4 A faculty member shall have at least one day a week (Monday through Friday) free from assigned duties to pursue his or her professional development. Wherever practicable, the class schedule of the faculty member shall be compact, as may be consistent with student needs. Scheduling shall involve consultation with the faculty member concerned. Faculty members shall be available whenever necessary and practicable for consultation on educational and professional matters.

20.5 A faculty member shall not have more than four (4) different course preparations during a semester and shall not be assigned more than one (1) new course preparation per semester. A course preparation is defined as a distinctly separate offering assigned to a specific catalogue course number.

20.6 A faculty member is expected to have one hour of posted office hours for each three contact hours of assigned teaching to a maximum of four (4) office hours per week, except for faculty members with only studio assignments for whom the maximum office hours shall be three per week. Office hours as defined in this contract may be held in off-campus locations such as studios or other professional work areas only with the mutual concurrence of both Chairpersons and faculty members, except that at least one (1) office hour must be held on campus. Prior notice of such arrangements shall be given to the appropriate Dean. The faculty member is responsible for being present in the studio or professional work area during the hours indicated.

20.7 The maximum number of students assigned to faculty members shall be no more than 150 per semester. Except for faculty who teach Survey of Art History and Principles, I-II (HA 115-116) and Nineteenth and Twentieth Century Art (HA 215-216) the maximum number of students shall be no more than 180. Any number in excess of the 150 (or 180 in case of faculty who teach HA 115-116 and HA 215-216) shall be agreed upon by the parties as soon as the problem arises, or the maximum shall remain at 150 (or 180 in case of HA 115-116 and HA 215-216).

20.8 The maximum number of independent study students assigned to any faculty member per semester shall be seven (7) students.

20.9 (a) No provision in this Article is meant to prevent a full-time faculty member from accepting additional part-time employment at Pratt Institute. However, no full-time faculty member may accept or be assigned such part-time employment if he or she does not have a full-time workload as herein above defined.

(b) Additional part-time employment of full-time faculty shall be based upon academic competence and accumulated seniority. In the event that individuals of equal competence apply for such employment, seniority shall prevail.

20.10 Faculty shall be reimbursed for expenses incurred for attendance at approved professional conferences and meetings. The amount of reimbursement shall be predetermined and approved by the faculty member's Dean with the concurrence of the faculty member involved.

ARTICLE XXI
HALF-TIME TEACHING OPTION

21.1 Faculty members (including librarians) who are presently participating in the Half-Time Teaching Option shall be permitted to continue to do so. However, no additional faculty will be permitted to elect the option. Faculty participating in the Half-Time Teaching Option shall be governed by the provisions below.

(a) The faculty member will teach no more than one-half the normal full-time teaching load. Faculty are required to teach in both the Fall and Spring semesters.

(b) Salary to be the applicable percent of what the faculty member's full-time salary would have been.

(c) The fringe benefit provisions applicable to full-time faculty in Articles 27 and 28, including tuition remission and the tuition exchange plan, will continue to apply (life insurance, disability, and TIAA-CREF to be adjusted to the salary that the faculty member will be receiving); except that health and hospitalization insurance will be discontinued for any individual who has other employment elsewhere that provides health and hospitalization insurance as provided in Article 27. Further, for purposes of determining the faculty member's contribution for health and hospitalization pursuant to Articles 27.1 and 27.2, the faculty member's "annual pay" while electing the half-time option will be assumed to be the amount that the faculty member's full-time salary would have been had she/he not elected the half-time option.

(d) The leave provisions applicable to full-time faculty in Article 29 will continue to apply, adjusted to the salary that the faculty member will be receiving.

(e) The faculty member will retain the seniority rights as a full-time, tenured member of the faculty.

(f) The faculty member will be permitted to commence annuity payments from TIAA-CREF in accordance with its rules and regulations.

(g) The faculty member will continue to have the opportunity for promotion.

(h) The faculty member may not return to teaching a full-time load.

21.2 The application of this Article shall have no effect on the application of Article 26 (i.e., Article 26 shall be applied as though no faculty elected the Half-Time Option). Thus, the faculty member who elected the option will be calculated as teaching full-time for purposes

of Article 26. Part-time faculty who teach the courses that the faculty member would have taught had he or she retained a full-time teaching load will not be considered in applying Article 26.

ARTICLE XXII
PRE-RETIREMENT TEACHING OPTION

22.1 Eligibility Criteria

A faculty member who wishes to participate must satisfy all of the following criteria:

(a) Must be a full-time tenured faculty member or librarian who has not retired or announced an intention to retire.

(b) Must have completed at least thirty years of service at Pratt as a member of the full-time or adjunct faculty or as an academic administrator, including the last ten as a full-time faculty member, as of the end of the semester in which the application is submitted.

(c) Must submit an irrevocable written commitment to resign upon completion of participation in the option.

22.2 Duration of Participation

A maximum of three consecutive years.

22.3 Teaching Load

(a) Participant will teach one-half of his or her normal full-time teaching load.

(b) Participant is required to teach in both the Fall and the Spring semesters.

(c) Participant is not eligible for release time, sabbatical, or unpaid leave of absence.

22.4 Pay and Benefits

(a) Salary to be the applicable percent of what the faculty member's full-time salary would have been.

(b) The fringe benefit provisions applicable to full-time faculty in Articles 27 and 28 will continue to apply (life insurance, disability, and TIAA-CREF to be adjusted to the salary that the faculty member will be receiving); except that health and hospitalization insurance will be discontinued for any individual who has other employment elsewhere that provides health and hospitalization insurance as provided in Article 27. Further, for purposes of determining the faculty member's contribution for health and hospitalization pursuant to Article

27, the faculty member's "annual pay" while electing this option will be assumed to be the amount that the faculty member's full-time salary would have been had she/he not elected this option.

(c) The faculty member will be permitted to commence annuity payments from TIAA-CREF in accordance with its rules and regulations.

22.5 Notification

A faculty member who wishes to elect the above option the following year must complete and sign the form prescribed by the Institute and submit it to the Provost by no later than March 1. The form will include the member's commitment to resign as set forth in Section 22.1(c) above.

22.6 Maximum Number

Up to five members will be permitted to begin participation in any given year, but in no event shall the total number of participants at any time exceed fifteen. In the event that the number of eligible faculty members who apply to begin the option the following semester exceeds the number of available openings, applicants with the most seniority as full-time Pratt employees will have priority.

22.7 Application of Article 26

The application of this Article shall have no effect on the application of Article 26 (i.e., Article 26 shall be applied as though no faculty elected the Pre-Retirement Teaching Option). Thus, the faculty member will be calculated as teaching full-time for purposes of Article 26. Part-time faculty who teach the courses that the faculty member would have taught had he or she retained a full-time teaching load will not be considered in applying Article 26.

ARTICLE XXIII PART-TIME FACULTY

23.1 Part-time faculty members hired before September 1972:

(a) Part-time faculty who have served more than a total of ten semesters before September 1972.

(1) Adjunct faculty members in this category shall have been deemed professionally competent and shall have been given a Certificate of Continuous Employment (CCE) and have adjunct titles.

(2) In the event that a full-time position within the field of competence of such a faculty member holding a CCE becomes available and the CCE applies for the position, the CCE will be among the finalists for the position. If the CCE is awarded the full-

time position, he/she will be given the full-time rank which the member held as a part-time faculty member.

(b) Part-time faculty members who have served a total of ten semesters or less before September 1972 and who have adjunct titles:

(1) Service prior to September 1972 will count toward the ten semester probationary period required for the Certificate of Continuous Employment.

(2) Such faculty members shall be subject to the following evaluation procedure:

(i) Each semester these individuals will be evaluated as to whether or not they meet the departmental standards of professional competence as teachers. If two successive academic year evaluations are negative, they will not be reappointed. Evaluation reports shall be in writing with copies given to the individual faculty member who shall have the opportunity to append or affix his or her comments.

(ii) Subject to the provisions of Article XVI, upon the completion of ten semesters of employment (as an adjunct) and reappointment beginning with the Fall semester of 1972 or thereafter, faculty members in this category shall be given a Certificate of Continuous Employment and shall be subject to the provisions of Article 23.1(a)(2).

23.2 Part-time adjunct faculty members hired after September 1972.

(a) Prior to the completion of ten (10) semesters of service (as an adjunct), faculty members in this category shall make a decision as to whether or not they wish a full-time position.

(1) If they do not wish a full-time position after the tenth semester, they will not be reappointed to the adjunct faculty but may be appointed to the visiting faculty.

(2) Subject to the provisions of Article XVI, if they wish a full-time position they may be granted a Certificate of Continuous Employment. In the event that a full-time position within the field of competence of such a faculty member holding a CCE becomes available and the CCE applies for the position, the CCE will be among the finalists for the position.

(b) Each semester adjunct faculty covered by this section will be evaluated as to whether or not they meet the departmental standards of professional competence as teachers. If two (2) successive academic year evaluations are negative, they will not be reappointed. Evaluation reports shall be in writing with copies given to the individual faculty member who shall have the opportunity to append or affix his or her comments.

23.3 Promotional opportunities shall be available for part-time faculty members in Adjunct ranks: i.e., Adjunct Instructor, Adjunct Assistant Professor, Adjunct Associate Professor, Adjunct Professor.

23.4 Workload² and Assignment for Adjunct Titles

(a) The maximum workload for adjunct faculty members shall not exceed three-quarters (3/4) of the full-time workload, except as provided below. Every effort shall be made to provide adjunct faculty who have a Certificate of Continuous Employment with a workload of three-quarters (3/4) of a full-time workload.

(b) Seniority within areas of competence shall govern the assignment of courses.

(c) The maximum workload for adjunct faculty shall be three-quarters (3/4) of the full-time workload within a School. However, it will not constitute a violation of this section or the Collective Bargaining Agreement unless an adjunct's workload in a semester -- after it has been converted to undergraduate lecture contact hours¹ -- exceeds the three quarters (3/4) limit by more than one (1) contact hour.

23.5 Visiting Category

This category is open to individuals who are distinguished practitioners or specialists.

(a) They shall teach no more than one-half (1/2) the full-time load. However, it will not constitute a violation of this section or the Collective Bargaining Agreement unless a visiting faculty member's workload -- after it has been converted to undergraduate lecture contact hours¹ -- exceeds the one-half (1/2) limit in either a semester or over the course of a year by more than one and a half (1 1/2) contact hours.

(b) Depending on their title, their compensation shall parallel the compensation of the equivalent adjunct ranks.

(c) They shall not be eligible for a Certificate of Continuous Employment (CCE).

23.6 A joint committee shall be established comprised of a mutually agreed-upon equal number of voting members (not to exceed a total of ten) appointed by the Provost and the President of the Union. Subjects to be discussed by the committee shall include but not be limited to the following:

² Workload Conversion Formula

An example of converting a faculty member's workload to undergraduate lecture contact hours would be as follows:

A part-time faculty member is assigned ten (10) undergraduate studio contact hours in the School of Art and Design. A full-time undergraduate load in the School of Art and Design is twelve (12) contact hours of lecture and 15 contact hours of studio. The load of ten (10) studio contact hours is converted into lecture contact hours by multiplying as follows:

$$\frac{10}{15} \times 12 = 8$$

Therefore, the part-time faculty member is assigned the equivalent of eight (8) undergraduate lecture contact hours.

- The appropriate use of visiting faculty;
- The number of visiting faculty;
- The appropriate procedures by which visitors may attain adjunct status; and
- The evaluation system for visiting faculty.

The committee shall also include, in a non-voting capacity, a representative of the Academic Senate selected by the Senate. Other non-voting participants may be invited by agreement of the Provost and the President of the Union to participate in the committee's discussions.

The committee shall be constituted by October 1, 2005. It shall issue a report including any recommendations by December 31, 2006. Recommendations of the committee may result in amendment of the collective bargaining agreement only upon the written agreement of the Union and the Administration.

(2) The applicable minimum rate.

24.2 Full-Time Faculty Minimums

(a) These minimums shall not apply to faculty on non-tenure track appointments. With respect to faculty participating in the Half-Time Teaching Option or the Pre-Retirement Teaching Option, the minimums shall apply to what the faculty member's salary would have been had she/he been fully loaded.

(b) A "year of service" shall be defined as (1) a full academic year (both semesters) in which the faculty member actually taught full-time; (2) time spent working full-time as an academic administrator or librarian; and (3) time on paid leave (full-time). It shall not include time spent teaching part-time or on an unpaid leave. Where the time is in fractions, six-tenths or more will be rounded up and five-tenths or less will be rounded down. If a faculty member teaches full time for one semester only, in two different academic years, those two semesters combined shall be treated as a year of service.

(c) The burden of establishing a faculty member's years of service shall rest with the faculty member.

24.3 Part-Time Faculty Increases

(a) Effective September 1, 2003, part-time faculty members who were employed in the 2002-2003 academic year shall receive an increase in their contact hour rate of 2.5% on the higher of:

(2) The applicable minimum rate.

(d) Effective September 1, 2006, part-time faculty members who were employed in the 2005-06 academic year shall receive the higher of:

(1) The contact hour rate in effect for them in the 2005-06 academic year plus 3.5%, or

(2) The applicable minimum rate.

24.4 Part-Time Faculty Minimums⁴

⁴ See Appendix B for clarification for computing the minimum contract hour rate for other than undergraduate lecture courses.

26+

1,675

(a) A “year of service” shall be defined as two Fall or Spring semesters in which the faculty member actually taught part-time the entire semester. Time on paid leave shall be treated as time spent teaching for purposes of the preceding sentence.

(b) For purposes of determining part-time faculty minimums for part-time faculty only, there shall be a rebuttable presumption that a faculty member has taught part-time every semester since his/her date of employment at Pratt. The burden of establishing a faculty member’s years of service shall rest with the faculty member. The faculty member will be given access to pertinent employment records at his or her request.

24.5 All full-time faculty who have additional part-time employment shall be compensated at the part-time rate, carrying with him/her, his/her full-time rank. S/he shall be paid the prevailing rate or the part-time minimum for his/her rank, whichever is greater.

24.6 Full-time and part-time Library faculty who work on weekends shall be compensated at the following hourly rates for such service:

Professor	\$40.00
Associate Professor	\$37.50
Assistant Professor	\$35.00
Instructor	\$32.50

24.7 Effective September 1, 2005, compensation for independent study students shall be at one hundred and ten dollars (\$110) per student per contact hour based on the contact hours that are normally associated with the course for which credit is being given.

ARTICLE XXV
SUMMER SESSION

25.1 Instructors for the various course offerings will be recruited from amongst the Pratt Institute faculty. In the event that two or more persons request to teach the same course or section who have equal qualifications including experience, seniority based on teaching the same course offering in previous Summer School sessions shall determine the choice. However, if more than one section of the same course is offered in a Summer Session, a faculty member can exercise his or her seniority right over one section only in a Summer Session.

25.2 (a) In the event that no qualified person from within the Pratt faculty makes a request to teach a particular course or section, the Dean (or designee) may recruit qualified persons outside the Pratt Institute faculty.

(b) The Visiting Category as outlined in Article 23.5 above, provides for circumstances under which distinguished practitioners may be invited during the Summer Session to teach elective courses which their pre-eminence or special expertise uniquely qualifies them to offer. They shall teach no more than one course per summer session.

25.3 Salaries:

(a) Full-Time

(b) Full-time faculty who teach for the Summer Session shall be paid at his/her part-time rate, which is defined and computed as follows:

The full-time faculty member's per annum salary divided by two times (2x's) the total maximum per semester contact hour workload for that particular school or department as appropriate. Seventy-five percent (75%) of that sum is the part-time rate for full-time faculty. Example: School of Liberal Arts and Sciences, 12 contact hours per semester is the maximum workload. Assuming an annual salary of \$43,200 divided by 2 times the maximum contact hour workload (2 x 12 = 24):

$$\frac{\$43,200}{24} = \$1800.00 \times .75 = \$1350.00$$

\$1350.00 would be the contact hour salary rate.
--

(c) Part-time

Part-time faculty shall receive their present part-time rate.

25.4 The Administration agrees that no course or section will be dropped in a capricious or arbitrary manner. It further agrees that no course or section will be dropped or canceled if the income from student enrollment exceeds the cost of Summer School faculty salaries by 50%, within a given school.

This means that should the income from student enrollments for a given school fall below 50% over the cost of faculty salaries, the Dean (or designee) shall be free to remedy the financial situation by dropping course offerings with lowest enrollments or by combining sections as is appropriate.

25.5 In any event, the Dean (or designee) shall be free to drop or cancel a course or section if the enrollment is seven (7) students or less except where such courses are a requisite for a degree program or certification or where other minimums have prevailed in the past. It is understood that the requisite courses for degree provision would apply only to those students within the last year of their program.

25.6 Upon the recommendation of the appropriate faculty member and Dean, any course which does not meet the criteria stipulated in Articles 25.4 or 25.5, above, may be

approved by the Provost (or designee). The income from student enrollment and faculty salaries for such courses shall not be included in the implementation of Articles 25.4 or 25.5 above.

ARTICLE XXVI
RATIO OF FULL-TIME FACULTY TO PART-TIME FACULTY

26.1 Pratt Institute agrees to maintain the ratio of full-time faculty to part-time faculty at no less than the ratio existing during the 2004-05 academic year. In 2004-05, the Institute employed 128 full-time faculty and 739 part-time faculty.

(a) Academic chairpersons shall be included within their respective status (i.e., full-time or part-time).

(b) The number of full-time and part-time faculty for a given year shall be determined based on the second pay check of the Fall semester.

(c) Data from the Summer session shall not be used in calculating the ratio and the ratio shall not apply during that period.

ARTICLE XXVII
HEALTH BENEFITS

27.1 Eligibility and Contributions

(a) Full-Time Faculty

Full-time faculty members are provided with health benefit coverage under the Aetna plans provided to Pratt Institute administrators (hereafter referred to as the "Aetna plans"). However, any full-time faculty member who

(i) was appointed to the full-time faculty prior to September 1, 1998 (including faculty who have elected the Half-Time Option or the Pre-Retirement Teaching Option); or

(ii) held a CCE as of July 17, 1998 and was subsequently appointed to the full-time faculty,

and who is presently covered by either the Pratt Institute Self-Insured Plan ("Self Insured Plan") or HIP, may continue that coverage. All full-time faculty are required to contribute to the cost of the coverage as set forth in Section 27.2.

(b) Part-Time Faculty

(1) CCE's

CCE's are provided with health benefit coverage under the Aetna plan. However, any CCE who was awarded a CCE prior to September 1, 1998 who is presently covered by either the Self-Insured Plan or HIP may continue that coverage. All CCE's are required to contribute 25% of the cost of the coverage.

(2) Other Adjunct Faculty

Adjunct faculty without a CCE who have completed at least four semesters of employment as a visitor or as an adjunct, will be provided with coverage under the Aetna plans. Coverage shall be available for the adjunct faculty member, his/her spouse, and dependent children. The full cost of individual or family coverage shall be borne by such insured adjunct faculty.

(c) Retirees

(1) Future retirees who are participating in the Self-Insured Plan or HIP at the time of retirement will be offered the choice between continuing that coverage or electing coverage under the Aetna plans being provided to Pratt Institute administrator retirees. Future retirees who are participating in the Aetna plans at the time of retirement will be offered the Aetna plans being provided to Pratt Institute administrator retirees.

(2) Faculty who retire after December 8, 1993, will be required to contribute 20% of the cost of whichever coverage is elected.

(3) Faculty who retired prior to December 9, 1993, who elect the Self-Insured Plan or HIP will be required to contribute ten percent (10%) of the cost of coverage. However, if no Aetna plan is available in the locale where the retiree resides, the pre-December 9, 1993 retiree will not be required to contribute the ten percent (10%) until the Aetna plans being provided to Pratt Institute administrator retirees becomes available and the retiree is offered the choice and elects not to be covered by the Aetna plan.

27.2 Contribution Schedule For Full-Time Faculty

Full-time faculty members will be required to make contributions as follows:

<u>Annual Pay</u>	<u>Annual Contribution</u>
\$25,000 to \$40,000	11% of the cost of whichever coverage applies
More than \$40,000	15% of the cost of whichever coverage applies

27.3 Grandfathered Coverage

(a) Self-Insured Plan

The Self-Insured Plan shall provide coverage for major medical expenses administered by Aetna for faculty, their spouses and dependent children. The major medical coverage shall include provisions for a maximum benefit of one million dollars (\$1,000,000) and

a cash deductible of two hundred dollars (\$200) in any one year for an individual and five hundred (\$500) in any one year per family, and reimbursement for the first five thousand dollars (\$5,000) per individual in excess of the deductible amount of 80%, and for the remainder, 100%. Payment shall be at the 95th percentile of PHCS. The plan shall also include a prescription program; when an employee purchases a prescription drug from a participating pharmacy, the employee's co-payment will be two dollars (\$2) for generic drugs and seven dollars (\$7) for brand name drugs. In addition, the Institute shall reimburse the faculty member up to the sum of fifty dollars (\$50) over a one year period for either a complete pair of eyeglasses, prescription sunglasses, contact lenses and/or the replacement of a lens, a pair of lenses or a frame.

The maximum major medical benefit for a retired faculty member over age sixty-five (65) and his/her spouse over age sixty-five (65) shall be one hundred thousand dollars (\$100,000).

(b) HIP

(1) HIP coverage shall be the HIP full medical plan including the H3F Rider and the Pratt optical benefit described in subsection (c) above.

(2) Notwithstanding any provision to the contrary contained in this Article, when the Institute ceases offering HIP coverage outside this bargaining unit, HIP coverage will cease for members and retirees of this unit as well. Those members and retirees will be given sufficient notice of the cessation so that they can avoid any break in coverage.

27.4 Domestic Partners

(a) Domestic partners, who satisfy all of the criteria set forth below, have the same eligibility for health benefits under this Article as spouses of eligible faculty and librarians. The criteria are as follows:

- (i) The persons are not related by blood;
- (ii) Neither person is married and the persons have never been married to each other;
- (iii) The persons share a primary residence and intend to do so permanently;
- (iv) The persons have been living together for at least one year prior to the date of the Affidavit.
- (v) The persons are at least eighteen years of age;
- (vi) The persons are competent to enter a contract;
- (vii) The persons are not in a domestic partnership relationship with anyone else; and

(viii) The persons share the common necessities of life and have agreed themselves to be responsible for each other's welfare.

(b) The faculty member or librarian must submit an Affidavit of Domestic Partnership swearing to the foregoing. In addition, she/he must submit proof of qualifying cohabitation. In the event the relationship terminates or any other change occurs so that the persons are no longer in compliance with all of the above criteria, the member or librarian must inform the Institute within thirty days.

(c) Coverage will first be available for a domestic partner who qualifies under the provisions of this Article as of January 1, 2006.

(d) Notwithstanding the above, the parties understand that this change must be approved by Aetna and/or HIP. In the event that Aetna and/or HIP does not approve it, the parties will negotiate such changes as are required to satisfy those carriers.

(2) Tuition Exchange

The Institute will provide faculty members with the opportunity to participate in the Tuition Exchange Program which is presently available for administrators.

The tuition remission program set forth in Article 28.4(a)(1), above, shall be available on a pro rata basis to the spouses and children of the adjunct faculty who have completed ten (10) or more semesters of employment (as a visitor or adjunct). The pro-ration per semester shall be based on the faculty member's workload in the last preceding semester as against a full-time per semester workload in the faculty member's department.

28.5 Faculty-Staff Housing

(a) One family housing maintained by the Institute will be offered preferentially to full-time faculty, CCE's, Deans, Chairs and Directors on a first come, first served basis, to be utilized as a primary residence, from an open waiting list which shall be a matter of public record. This clause shall not be construed to prejudice the rights of any present occupant. The need for security and maintenance of the Institute may continue as an exception to the foregoing.

(c) All other housing maintained by the Institute shall be rented to the faculty and all other Institute employees on a first come, first served basis from an open waiting list which shall be a matter of public record. This clause shall not be construed to prejudice the rights of any present occupant. The need for security and maintenance of the Institute may continue as an exception to the foregoing.

ARTICLE XXIX
LEAVES

29.1 Leaves of Absence

Leaves of absence, excepting those for service in the armed forces, Vista or the Peace Corps, shall be for a period of time not in excess of one year. In extraordinary circumstances, leaves may be extended. They shall be without pay. Unless of an emergency nature, applications for such leave shall be made by October 15th for the ensuing Spring semester and by February 15th for the ensuing Fall semester.

29.2 Sabbatical Leaves

(a) Sabbatical leave eligibility shall require at least six years (6) of continuous service at the Institute as a full-time faculty member.

(b) Compensation for sabbatical leave shall be full pay for a half year leave and one-half pay for a full year leave. Upon return, the faculty member shall be reinstated at his/her previous assignment and shall be eligible for any salary increases that may have resulted during the leave period.

(c) The Institute will grant on an Institute-wide basis at least seven (7) sabbatical leaves at full pay for one semester or one-half pay for two continuous semesters in each year, provided a sufficient number of applications are received. Institute-wide is defined to mean all eligible members of the Institute community including non-bargaining unit faculty.

(d) The Institute shall grant on an Institute-wide basis at least two (2) sabbatical leaves at full pay for one semester or one-half pay for two continuous semesters in each year for adjunct faculty who have at least twelve (12) semesters of continuous service at the Institute as an adjunct.

Compensation for adjunct faculty sabbatical leaves shall be at full pay for one semester and one-half pay for a full year and shall be based on the average of the adjunct faculty member's workload of the previous academic year. Upon return, the adjunct faculty member shall be reinstated at previous assignment and shall be eligible for any salary increases that may have resulted during the leave period.

(e) Approval of sabbatical leave will be granted by the Board of Trustees only upon the recommendation of the President. The President's recommendation shall be based on a review of all applications made and submitted to the Deans and forwarded to the Provost. The Provost's review shall take into account reasons for the leave as stated by the faculty member, the number of previous leaves, the allocation of leaves among the various schools and academic professional disciplines, and the benefit of such leaves to the individual and the Institute.

(f) No request for leave may be discriminated against because it asks for a semester leave at full pay as opposed to a year leave at half pay.

29.3 Medical Leave

(a) Full-time faculty members shall be entitled to medical leave at full pay for one calendar month in each academic year for the first two years of employment. Should any medical condition or injury extend beyond such accumulated leave, the matter will be brought to the attention of the Administration and the Union representative who will consider extension of such leave at full pay on an individual basis.

(b) Full-time faculty members after two years of employment shall be entitled to medical leave at full pay. If after one month medical prognosis indicates a permanent inability to return to full service, such an individual shall be covered by disability under Article 28.3 following six months at full pay.

(c) Part-time faculty members shall be entitled to three-quarters of a month's medical leave at their regular rates for each academic year of employment until such individuals achieve a Certificate of Continuous Employment. At that time, the provisions of the second sentence of Article 29.3(b) above, shall apply.

ARTICLE XXX
TENURE

30.1 Academic freedom and economic security are necessary for the success of the Institute in fulfilling its obligations to its students and to society.

30.2 "Tenure" shall mean the right of a person to hold his or her position until retirement during efficient and competent service, and not to be removed or suspended except for cause.

30.3 All members of the permanent full-time faculty and part-time faculty having Certificate of Continuous Employment shall have tenure.

30.4 Subject to the provisions of Article 16, full-time faculty members who have served in a continuous manner for a probationary period of seven (7) years shall be reappointed for an eighth year with tenure or shall receive a terminal contract. Persons initially appointed to professorial ranks (ranks above Instructor) may have the probationary period reduced, except that two years of satisfactory service at the Institute must be completed before tenure takes effect. Each two years of prior full-time faculty service at an accredited college or university shall be credited as the equivalent of one year full-time service at Pratt Institute for purposes of eligibility for tenure to a maximum of two years full-time service at Pratt.

30.5 Subject to the provisions of Article 16, part-time faculty who hold adjunct titles and who have served a total of ten semesters as an adjunct and have been appointed for an eleventh semester or more, beginning with the fall semester of 1972 shall be deemed to be professionally competent and shall be given a Certificate of Continuous Employment.

30.6 Where the service of a member of the faculty is interrupted by reason of an approved leave of absence, the period of creditable service immediately preceding such leave shall be counted in computing the years of continuous service required to confer tenure.

30.7 Nothing herein shall be construed as conferring tenure in administrative positions. Appointments to or removal from such positions, however, shall not deprive the person so appointed or removed of tenure in the highest academic rank held with tenure prior to his or her appointment to such office or conjointly with such office, nor shall such appointment or the holding of such position or the removal from such position deprive any person of service credit toward the achievement of tenure under the provisions of this Article.

30.8 Neither tenure as conferred through the operation of this Agreement nor the period requisite for the achievement of tenure shall be affected by promotion, or by change of rank, except that a person upon whom tenure is conferred through the operation of this Agreement and who maybe promoted, or whose rank may be changed, shall have tenure in his or her new rank.

30.9 Each person upon whom tenure is conferred shall be so notified in writing.

30.10 Nothing in this Article shall be construed as denying tenure to faculty members currently having tenure.

30.11 (a) Whenever a department Chairperson or Dean has evidence of deterioration of a tenured faculty member's competence or adherence to duty, an evaluation of his or her total performance shall be effectuated.

(b) An Ad Hoc Committee shall be empowered to evaluate the total performance of a tenured faculty member whenever the Chairperson or Dean has evidence of the deterioration of such tenured faculty member's competence or adherence to duty as set forth in Article 29.11(a), above. The Ad Hoc Committee shall be appointed by the President and shall consist of a representative of the President, two Deans and four tenured faculty members.

30.12 Termination for Cause

(a) Faculty members having tenure shall not be removed or suspended except for adequate cause which shall include: (i) incompetent service; and (ii) neglect of duty.

(b) Removal or suspension of a person on tenure shall require service of written charges and maybe taken up as a grievance directly at Step 2 of the grievance procedure under this Agreement within thirty (30) days of removal or suspension. The person so charged shall be on a pay status pending the outcome of the proceedings affecting his/her tenure. The fees and expenses of the American Arbitration Association and the Arbitrator shall be borne by the Institute.

30.13 Lay-off-- Transfer -- Financial Exigency

(a) There shall be no lay-offs or notice of lay-offs of tenured faculty except in the case of Institute-wide financial exigency as defined in Article 30.13(e).

(b) During the period of this Agreement, in the event of serious problems of enrollment in any academic areas, tenured faculty maybe transferred to other areas in related fields of instruction. It is incumbent upon such faculty members to engage in such retraining and/or professional development as is reasonable and necessary to teach effectively in the related fields. Such transfers shall be made in order of seniority with due regard to professional competence with the consultation of the faculty member concerned.

(c) In the event any member of the tenured faculty cannot be retrained as provided in subparagraph (b) of this Article, or there is no area in a related field of instruction to which he or she may be transferred, he or she shall be placed in a suitable non-academic position in the Institute without loss of his or her tenured faculty status.

(d) Only if the financial problems of the Institute cannot be resolved by the operation of the provisions of Article 31 and Article 30.13(b) and (c) because of the severity and extent of the Institute's financial exigency as defined in Article 30.13(e), tenured faculty may be laid off after non-tenured faculty in the following sequence: (1) tenured part-time faculty; then (2) tenured full-time faculty, in accordance with seniority within areas of competence dating from the original date of employment. In every instance of lay-off in the case of financial exigency, the tenured faculty member concerned shall be notified prior to the end of the Spring semester or trimester that during the following academic year he or she will be on a terminal appointment. Such notice shall be given as early as possible. The Institute will make every

effort to place laid-off faculty members in other suitable positions and the laid-off faculty member shall be placed on a preferential rehiring list for three years for vacancies in their areas of competence with those having greater seniority having prior claim to a position. Such individuals rehired shall be compensated at a salary no less than that last received at the Institute plus any increases that may have accrued during their absence.

(e) Financial exigency must be demonstrably bona fide and fully explained and documented to the faculty to the effect that unless the Institute effectuates the inherent economies, the viability of Pratt Institute is endangered.

(f) Allegations of arbitrariness, discrimination or capriciousness in connection with the operation of Article 30.13 shall be subject to the grievance procedure.

ARTICLE XXXI
LAY-OFFS AND TERMINATION OF NON-TENURED FACULTY

31.1 Lay-offs of non-tenured faculty members may be effectuated by the Institute only for the following reasons:

(a) Insufficient enrollment, or

(b) Bona fide discontinuance of a department or program of instruction, or

(c) Financial exigency. Financial exigency must be demonstrably bona fide and fully explained and documented to the Institute faculty to the effect that unless the Institute effectuates the inherent economies the viability of Pratt Institute is endangered.

31.2 Non-tenured, part-time faculty members shall be laid-off prior to non-tenured full-time faculty members. Lay-offs then shall be governed by an order of separation involving cumulative seniority. Laid-off personnel shall be placed, within areas of competence, on a preferential rehiring list for three (3) years. Re-employment shall be based upon cumulative seniority within areas of competence.

31.3 (a) Notice of lay-off of full-time faculty shall be no later than March 1st prior to the completion of the first year of service and December 1st prior to the completion of the second year of service.

(b) Faculty members with more than two years of service will be notified prior to the end of the Spring semester or trimester that during the following academic year they shall be on a terminal appointment. Such notice shall be given as early as possible.

(c) Normally, where practicable, those holding part-time appointments must be notified no later than December, prior to the Christmas recess, with respect to an appointment in the succeeding Spring semester and no later than May 15th with respect to an appointment in the succeeding Fall semester.

31.4 In the event of lay-off or termination the faculty member shall be given the reasons.

31.5 Non-tenured faculty members shall not be removed, suspended or terminated during the period of their appointment except for adequate cause which shall include (a) incompetent service and (b) neglect of duty.

ARTICLE XXXII
NON-TENURE TRACK APPOINTMENTS

32.1 The Provost may issue non-tenure track full-time appointments for the following reasons:

- (a) To replace a faculty member on sabbatical or other leave of absence;
- (b) Where the Administration plans to fill a position with a tenure-track appointment and has not been successful in doing so (maximum duration of two years); or
- (c) In order to employ an accomplished professional (maximum of two at any one time).

32.2 Non-tenure track full-time terminal appointments shall be issued in accordance with the following:

- (a) The Provost will inform the Union of the appointment including the reason therefore at least seven days prior to its being announced.
- (b) The appointment shall not cause any incumbent full-time faculty member to be denied reappointment or laid off.
- (c) A person who has held an appointment under this section may thereafter be appointed to a full-time, tenure-track position only after a search and in accordance with the usual procedure for filling such a position. Service in an appointment pursuant to this Article shall not be credited for purposes of eligibility for tenure.

32.3 Non-tenure track full-time appointments in accordance with this Article shall be disregarded for purposes of Article 26. Any part-time appointment for the purpose of replacing a full-time faculty member on sabbatical or other leave of absence, shall also be disregarded for purpose of Article 26.

32.4 Appointments under this Article shall not be subject to Article 16.

ARTICLE XXXIII
NO STRIKES - NO LOCKOUTS

33.1 The parties subscribe to the principle that any and all differences under this Agreement be resolved by peaceful and appropriate means without interruption of the Institute program. The Union, therefore, agrees that during the term of this Agreement it shall not instigate, engage in, support, encourage or condone any strike, work stoppage or other concerted refusal to perform work by any faculty members covered by this Agreement. This section, if violated, may, in the sole discretion of the Administration, be enforced either through the arbitration provisions hereof or by means of an action in any court of competent jurisdiction or in any administrative agency having jurisdiction, or through any combination of these remedies.

33.2 The Administration agrees that during the term of this Agreement it shall not lock-out any or all of the faculty members covered by this Agreement. This section, if violated, may, in the sole discretion of the Union, be enforced either through the arbitration provisions hereof or by means of an action in any court of competent jurisdiction or in any administrative agency having jurisdiction, or through any combination of these remedies.

ARTICLE XXXIV
TERM OF AGREEMENT

34.1 From the effective date hereof to and including August 31, 2007, this Agreement shall remain in full force and effect and be binding upon the parties hereto and shall thereafter be continued for annual periods unless notice of termination or modification is given in writing by either party to the other by certified mail at least sixty days prior to the above expiration date.

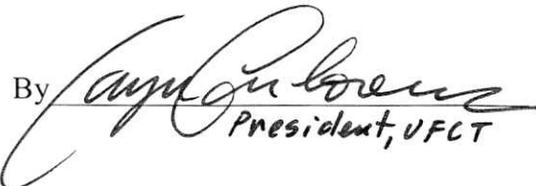

34.2 No later than six months prior to August 31, 2007, the parties shall commence discussions and negotiations for the purpose of extending, renewing or modifying this Agreement.

IN WITNESS WHEREOF, the parties hereto have hereunto set their hands and seals the day and year first above written.

Clarification of Article 24

Examples of Full-Time Faculty Salary Calculations

For Full-Time faculty who were employed as full-time faculty at Pratt during the 2004/05 academic year, the following are example calculations effective September 1, 2005:

Example 1 (FT):

John Doe has completed 12 years of service as a full time faculty member. He has received a promotion from Assistant Professor to Associate Professor effective September 1, 2005. His salary during the 2004-05 academic year was \$46,000.

Salary Calculation for AY 2005-2006:

- “The member’s 2004-2005 salary plus 3%...”

Salary (2004-05) = \$46,000
3% of Salary (2004-05) = $\$46,000 \times (0.03) = \$1,380$
Salary plus 3% = $\$46,000 + \$1,380 = \$47,380$

- “The applicable minimum rate.”

The applicable minimum rate for an Associate Professor who is in his 13th year of full-time service is \$52,500.

Since “The applicable minimum rate” (\$52,500) is greater than “the member’s salary plus 3%” (\$47,380), John Doe’s salary for the 2005-2006 academic year is \$52,500.

Example 2 (FT):

Jane Smith is a full time Professor who has completed 18 years of service as a full time faculty member. Her salary during the 2004-05 academic year was \$61,000.

Salary Calculation for AY 2005-2006:

- “The member’s 2004-2005 salary plus 3%...”

Salary (2004-05) = \$61,000
3% of Salary (2004-05) = $\$61,000 \times (0.03) = \$1,830$
Salary plus 3% = $\$61,000 + \$1,830 = \$62,830$

- “The applicable minimum rate.”

The applicable minimum rate for a Professor who is in her 19th year of full-time service is \$62,500.

Since “the member’s salary plus 3%” (\$62,830) is greater than, “the applicable minimum rate” (\$62,500), Jane Smith’s salary for the 2005-2006 academic year is \$62,830.

Example 3 (FT):

Lee Someone has completed 8 years of service as a full time faculty member. She has received a promotion from Instructor to Assistant Professor effective September 1, 2005. Her salary during the 2004-05 academic year was \$42,100.

Salary Calculation for AY 2005-2006:

- “The member’s 2004-2005 salary plus 3%...”

$$\begin{aligned} \text{Salary (2004-05)} &= && \$42,100 \\ 3\% \text{ of Salary (2004-05)} &= && \$42,100 \times (0.03) = \$1263 \\ \text{Salary plus 3\%} &= && \$42,100 + \$1263 = \$43,363 \end{aligned}$$

- “The applicable minimum rate.”

The applicable minimum rate for an Assistant Professor is \$40,000.

Since “the member’s salary plus 3%” (\$43,363) is greater than “the applicable minimum rate” (\$40,000), Lee Someone’s salary for the 2005-2006 academic year is \$43,363.

Example 4 (FT)

Sally Williams is a full-time Professor who has completed 15 years of service as a full-time faculty member. Her salary during the 2004-2005 academic year is \$59,000.

Salary Calculation for AY 2005-2006

- “The member’s 2004-2005 salary plus 3%...”

$$\begin{aligned} \text{Salary (2004-1005)} &= && \$59,000 \\ 3\% \text{ of Salary (2004-2005)} &= && \$59,000 \times (0.03) = \$2070 \\ \text{Salary plus 3\%} &= && \$59,000 + \$2070 = \$60,770 \end{aligned}$$

- “The applicable minimum rate.”

The applicable minimum rate for a Professor who is in her 16th year of service is \$62,500.

Since “the applicable minimum rate” (\$62,500) is greater than “the member’s salary plus 3%” (\$60,770), Sally Williams’ salary for the 2005-2006 academic year is \$62,500.

Examples of Part-Time Faculty Salary Calculations

For Part-Time faculty who were employed during the 2004/05 academic year, the following are example calculations effective September 1, 2005:

Example 1 (PT):

Ben Good has completed 12 years of service as a part time faculty member. He has received a promotion from Adjunct Assistant Professor to Adjunct Associate Professor effective September 1, 2005. His contact hour rate per undergraduate lecture hour during the 2004-2005 academic year was \$1200.

Salary Calculation for AY 2005-2006:

- “the contact hour rate in effect for them in the 2004-2005 academic year plus 3%”

$$\begin{array}{r} \text{Rate (2004-05)} = \\ 3\% \text{ of Rate (2004-05)} = \$1,200 \times (0.03) = \\ \text{Rate plus 3\%} = \end{array} \begin{array}{r} \$1,200 \\ \$36 \\ \$1,200 + \$36 = \end{array} \begin{array}{r} \\ \\ \$1,236 \end{array}$$

- “The applicable minimum rate.”

The applicable minimum rate for a part-time Associate Professor who is in his 13th year of part-time service is \$1,250.

Since “The applicable minimum rate” (\$1,250) is greater than “the contact hour rate in effect for them in the 2004-2005 academic year plus 3%” (\$1,236), Ben Good’s contact hour rate per undergraduate lecture hour for the 2005-2006 academic year is \$1,250.

Example 2 (PT):

Mary Days has completed 18 years of service as a part time faculty member. She has received a change in status from Visiting to Adjunct and a promotion from Associate Professor to Professor effective September 1, 2005. Her contact hour rate per undergraduate lecture hour during the 2004-2005 academic year was \$1500.

Salary Calculation for AY 2005-2006:

- “the contact hour rate in effect for them in the 2004-2005 academic year plus 3%”

$$\begin{array}{r} \text{Rate (2004-05)} = \\ 3\% \text{ of Rate (2004-05)} = \$1,500 \times (0.03) = \\ \text{Rate plus 3\%} = \end{array} \begin{array}{r} \$1,500 \\ \$45 \\ \$1,500 + \$45 = \end{array} \begin{array}{r} \\ \\ \$1,545 \end{array}$$

- “The applicable minimum rate.”

The applicable minimum rate for a part-time Professor in her 19th year of part-time service is \$1,525.

Since “the contact hour rate in effect for them in the 2004-2005 academic year plus 3%” (\$1,545) is greater than “the applicable minimum rate” (\$1,525), Mary Days’ contact hour rate per undergraduate lecture hour for the 2005-2006 academic year is \$1,545.

Example 3 (PT):

Abel Doer has completed 7 years of service as a part time faculty member. He has received a promotion from Adjunct Instructor to Adjunct Assistant Professor and a CCE effective September 1, 2005. His contact hour rate per undergraduate lecture hour during the 2004-2005 academic year was \$900.

Salary Calculation for AY 2005-2006:

- “the contact hour rate in effect for them in the 2004-2005 academic year plus 3%”

$$\begin{aligned} \text{Rate (2004-05)} &= && \$900 \\ 3\% \text{ of Rate (2004-05)} &= \$900 \times (0.03) = && \$27 \\ \text{Rate plus 3\%} &= && \$900 + \$27 = \$927 \end{aligned}$$

- “The applicable minimum rate.”

The applicable minimum rate for a part-time Assistant Professor is \$1,000.

Since “the applicable minimum rate” (\$1,000) is greater than “the contact hour rate in effect for them in the 2004-2005 academic year plus 3%” (\$927), Abel Doer’s contact hour rate per undergraduate lecture hour for the 2005-2006 academic year is \$1,000.

Example 4 (PT)

Barbara Taylor has completed 5 years of service as a part-time faculty member. She has received a promotion from Visiting Assistant Professor to Visiting Associate Professor effective September 1, 2005. Her contact hour rate per undergraduate lecture hour during the 2004-2005 academic year was \$1030.

Salary Calculation for AY 2005-2006

- “the contact hour rate in effect for them in the 2004-2005 academic year plus 3%”

$$\begin{aligned} \text{Rate (2004-2005)} &= && \$1030.00 \\ 3\% \text{ of Rate (2004-2005)} &= \$1030 \times (0.03) = && \$30.90 \\ \text{Rate plus 3\%} &= && \$1030 + \$30.90 = \$1060.90 \end{aligned}$$

- “The applicable minimum rate.”

The applicable minimum rate for a part-time Associate Professor who is in her 6th year of service is \$1200.

Since “the applicable minimum rate” (\$1200) is greater than “the member’s contact hour rate plus 3% (\$1060.90), Barbara Taylor’s contact hour rate for the 2005-2006 academic year is \$1200.00.

APPENDIX B

Conversion of Part-time Minimum Rates

[Clarification of Article 24.4]

For minimum contact hours rates other than undergraduate lecture courses, the following formula applies:

Minimum undergraduate lecture contact hour rate times twelve contact hours (maximum load for semester), divided by the maximum full-time workload for the school, course level, and type of course.

Examples (effective September 1, 2005):

1. Rank: Visiting Professor
School: Architecture
Workload: 16 undergraduate studio contact hours
Type of course: studio course

$$\frac{\$1300 \times 12}{16 \text{ undergraduate studio contact hours}} = \$975$$

The per contact hour rate cannot be less than \$975 as demonstrated in example # 1.

2. Rank: Visiting Associate Professor
School: Information and Library Sciences
Workload: 9 graduate lecture contact hours
Type of course: lecture/conference

$$\frac{\$1150 \times 12}{9 \text{ graduate lecture contact hours}} = \$1,533.33$$

The per contract hour rate cannot be less than \$1533.33 as demonstrated in example #2.
