**Policy for the Promotion and Change in Status of the AOS /AAS Department Faculty**

**Introduction**

All terms and conditions of faculty employment are officially stated in the current contract negotiated by Pratt Institute and the United Federation of College Teachers (UFTC). As stipulated in that contract, the faculty of each department shall set up appropriate procedures for appointment, reappointment, promotions and tenure.

The following are the AOS/AAS policies for consideration of promotion and change of status from terms of initial employment. Faculty members are hired at the discretion of the Chairperson and with the approval of the Dean and Provost.

**Procedures**

The Associate Degree Programs Committee for the Appointment, Reappointment, Promotions, and Tenure (Faculty Peer Review Committee) is the department's official representation of faculty for all procedures concerning faculty actions.

The Faculty Peer Committee has the authority to approve or deny applications for promotion and change in status based on the criteria set forth herein.

1. The Committee submits its recommendations to the Department Chairperson.
2. The Chairperson in turn submits their approvals or denials to the Dean.
3. The Dean makes his recommendations to the Provost.
4. The Board of Trustees determines final approval of all faculty actions.

## **Definition of Terms**

There are two key terms which apply to Faculty Appointments: **Rank** and **Status**

**Rank** indicates academic level. At Pratt the ranks are Instructor, Assistant Professor, Associate Professor and Professor. An upgrade in rank is referred to as a Promotion.

**Status** indicates employment level. **Status** titles are Visiting, Adjunct, Adjunct with CCE; Full-time, and Full-time Tenured. An upgrade in status is referred to as a Change in **Status**.

Simultaneous applications for a Promotion in Rank and a Change in Status may be permitted.

## **Criteria for Promotion**

- **Promotion to Assistant Professor** : Normally three to five years (continuous) of excellence in teaching at the Instructor level in the AOS/AAS Program, the terminal degree or its equivalent, and an active record of professional accomplishments and service to the institution.
- **Promotion to Associate Professor** : Normally four to six years (continuous) of excellence in teaching at the Assistant Professor level in the AOS/AAS Program, with a consistent record of service to the institution, and with definite signs in the professional record that the applicant is on the way to becoming a recognized leader in his or her field.
- **Promotion to Professor**: Four to six years (continuous) of excellence in teaching at the Associate Professor level with significant record of service to the institution and with a professional resume that establishes clear and recognized leadership in the faculty member's field.
- **Conferral of Tenure and the CCE**: Tenure or the CCE may be conferred on those faculty members who have met the current probationary requirements and who demonstrates the highest level of achievement in their teaching and their professional field, have a significant record of service to the institution, and whose expertise is appropriate to the long-range needs of the AOS /AAS department, the School of Art and Pratt Institute.

## **Criteria for Change in Status**

- **Visitor to Adjunct Status**: Minimum 8 Continuous Semesters in the AOS/AAS Programs. Time served alone is not a guarantee of advancement.

## **Support Materials**

All support materials will be submitted online at [www.interfolio.com](http://www.interfolio.com) Once you have notified the AOS/AAS FPRC Chair of your 'Intent to Apply' you will be given access to 'Interfolio' in order to upload all support materials. Please login to 'Interfolio'.com to review all required documents. Below is a brief overview/summary.

Complete supporting materials are vital to the review of all applications. Clarity is essential in preparing these materials. Remember that some of the people reviewing these may not be familiar with every area of professional expertise represented within the School of Art. At a minimum, an application for promotion or change in status should include:

1. Letter of application clearly stating the desired promotion and/or change in status.
2. A current resume, complete up-to-date record of the faculty member's educational, employment, professional, and service record.
3. Letters of recommendation (at least 2) from Pratt teaching colleagues and (at least 2) professional peers outside of the Pratt community.
4. Evidence of teaching performance to include only departmental copies of Pratt student evaluations, examples of student work and other relevant documentation.etc. not other educational institutions.
5. Evidence of professional activity to include items such as, current CVs, websites, images of current work, copies of publication and articles, commissioned prototypes, exhibition catalogs, posters, reviews, citations.lecturers, performance, etc.
6. Applications for Tenure and CCE also should include a minimum of two additional letters of reference from established non-Pratt-affiliated professionals who can speak to the applicant's contributions to his or her area of expertise.

## **Schedule of Action**

All application and supporting materials must be submitted online at '[Interfolio.com](http://Interfolio.com)'.

Submission Deadline : **Friday, OCTOBER 15th to AOS/AAS section of 'Interfolio'**.

Deadlines are strictly observed. Missing a deadline is the simplest technicality that will cause an application to be disregarded.
